Dear Fellow Members of the Company,

Our Immediate Past Master, Anthony Komedera, has just achieved a splendid year and, under his stewardship, the Company has continued to flourish 'root and branch'. I sincerely hope that you will all continue to provide active support to our Company in the forthcoming year, 2018-2019.

My Master's theme for the year is Fellowship. With a large number of new Liverymen in recent years, I want to ensure that we maintain the reputation of being a fun and all-inclusive Livery. The importance of long-standing members reaching out to newer members and engaging and communicating in a better way is the key to ensuring this fellowship continues to the next generation of Liverymen.

With my best wishes to you all,

Mark

The Worshipful Company of Makers of Playing Cards
